

The 2010 Guide-Dogs Calendar - a look at what you've helped us do!

With the help of thirteen well known wedding photographers from Cape Town and Johannesburg, the Western Cape branch of the South African Guide-Dog's Association is proud once again to publish a calendar with heart and style! Through its stylish design and beautiful photographs the calendar gives you, our supporters, a look into the lives that you have so immeasurably enriched. And through it's stories of courage and dignity in the face of adversity it hopes to give you something in return - inspiration for a life well lived!

Help us to ensure that even more blind and partially sighted people continue to benefit from your kindness. Calendars cost R100 (including postage) and all proceeds are going towards the breeding and training of guide dogs for the blind.
